

Time to Start Saving!

Who do you know that has a sole proprietor or LLC business that is doing pretty well, but paying too much in taxes?

What you do BEFORE YEAR END is called STRATEGY. What you do on AFTER THE FIRST and try to apply it to the previous year is called FRAUD!

Recently Admin Books provided consultations to the following clients and SAVED them a BUNCH of MONEY!! Here is a sample:

Client #1:

LLC company followed Renee's tax recommendation in 2011 and when they filed their 2011 tax return, the owner saved \$7,182 in just the first year.

Client #2:

Sole proprietor company that followed Renee's advice made a change in Sept. 2011. They saved \$4,572 in the 4 months of 2011, but project to save \$9,660 in 2012.

Client #3:

A partnership (LLC) changed the direction of their company and in doing so, Admin Books saved them \$6,948 in 2011.
